HeaterMeals

HeaterMeals EX

Self-Heating Entrées Designed for Extended Storage

Available in a variety case of 18 meal kits featuring 3 each of the 6 mouthwatering meals below.

The food in HeaterMeals EX is fully cooked, safety-sealed in a high barrier, flexible 4-layer foil pouch; then heated again under pressure to assure a safe, easy-to-store meal. The result is extended storage without refrigeration and a ready-to-eat meal which retains its natural moisture, texture and taste.

HeaterMeals EX offers up to a 5 year shelf life when stored properly, and are a simple solution for long-term emergency planning.
